The 100-day Countdown to Marintec China 2023: The King's Triumphant Return

Hong Kong, 28 August 2023 - Marintec China, the most authoritative B2B platform for the international maritime Industry is celebrating the 100-day countdown. On this pivotal milestone, the visitor pre-registration for Marintec China 2023 has been officially launched, symbolising the commencement of a remarkable global gathering, business networks and technological collaboration within the maritime sector.

In 2022, most major maritime exhibitions resumed physical presence; Marintec China, actively engaged with international key players from around the world to establish and strengthen cooperation with the Chinese enterprises. This not only indicates the recovery of the shipbuilding and shipping sectors but also highlights the significant importance of Marintec China as the leading event in the global maritime map.

Marintec China is making a highly anticipated return in 2023, taking significant measures to accommodate the overwhelming interest. The event scheduled to take place from 5 - 8 December 2023, at the Shanghai New International Expo Centre, has expanded its capacity by activating all eight halls from N1 to N3 and W1 to W5. The exhibition is expected to reach its largest scale in history.

Marintec China features a diverse range of international participants, with the international hall located at Halls N1 to N3, serves as a central hub for exhibitors from around the world. As of 20 August, the exhibition includes 15 national and regional pavilions, with the German Pavilion leads as the largest overseas delegation, followed by the Danish and Norwegian Pavilions. Prominent companies like, ABB, Hyundai Heavy Industries, Kawasaki Heavy Industries, Kongsberg Maritime, MacGregor, Mitsubishi Heavy Industries, Rolls-Royce Solutions, Siemens Energy, Tsuneishi Group Shipbuilding, Ulstein Group, Wartsila and many more will be in attendance, highlighting their commitment to advancing maritime technologies.

Marintec China has expanded its exhibition space in Hall W, resulting in a total of five halls from W1 to W5. Hall W is dedicated to domestic exhibitors, showcasing the latest advancements in the China maritime industry. Considering the industry's progress towards decarbonisation and digitalisation, this year's participating enterprises include many prominent players in the field of new energy and smart vessels. Notable participants include Contemporary Amperex Electric Vessel Technology Limited (CATL), CALB Group, EVE Energy, and Zhuhai Yunzhou Intelligence, among others.

As the 100-day countdown begins, Marintec China is set to be one of the leading global maritime event, uniting industry leaders and innovators worldwide. With its expanded exhibition space, Senior Maritime Forum, and Marintec Cruise Interiors, this edition promises groundbreaking technologies and collaborations. Join us on 5-8 December 2023, at Shanghai New International Expo Centre to shape the future of the maritime industry.

Organisers:

Marintec China is organised and managed by Informa Markets and Shanghai Society of Naval Architects & Marine Engineers (SSNAME)

Informa Markets

Informa Markets creates platforms for industries and specialist markets to trade, innovate and grow. Our portfolio is comprised of more than 550 international B2B events and brands in markets including Healthcare & Pharmaceuticals, Infrastructure, Construction & Real Estate, Fashion & Apparel, Hospitality, Food & Beverage, and Health & Nutrition, among others. We provide customers and partners around the globe with opportunities to engage, experience and do business through face-to-face exhibitions, specialist digital content and actionable data solutions. As the world's leading exhibitions organiser, we bring a diverse range of specialist markets to life, unlocking opportunities and helping them to thrive 365 days of the year. For more information, please visit www.informamarkets.com.

Shanghai Society of Naval Architects and Marine Engineers (SSNAME)

Shanghai Society of Naval Architects and Marine Engineers (SSNAME) was founded on 25 February 1951 and has more than 5,000 individual members and over 60 group members at the moment. The professional range of SSNAME covers academic and technical exchanging, exhibiting, popularization of science, editing, and publishing as well as scientific consulting in the field of naval architect and marine engineering.

SSNAME has established friendly cooperation with 14 overseas maritime engineering societies to promote bilateral and multilateral exchanges and cooperation. It's one of the Sponsors of Pan Asian Association of Maritime Engineering Society (PAAMES), and elected as the first president.

SSNAME is also a member of World Maritime Technology Congress and hosted WMTC'18 which was held in December 2018.

As it always adheres to innovation and development, SSNAOE has achieved great success in academic exchange, scientific popularization, editing and publishing, international intercourse and organization optimization over years of endeavor. It was awarded "National Advanced Civil Organization" by the Ministry of Civil Affairs, "Advanced Collective under China Association for Science and Technology" by the Ministry of Personnel and China Association for Science and Technology. In recent years, it has been awarded the title of "5A-level Social Organization" in the evaluation of the standard construction of social organizations organized by Shanghai Civil Affairs Bureau and Shanghai Association Administration Bureau.

After 70 years of development, SSNAME has now won a high reputation and shown an evident academic influence in the shipbuilding and offshore engineering industry.
